

Jr./Sr. High Youth Camp 2018
"The Struggle is Real"
Friday, June 8 - Monday, June 11

7 Do not be deceived: God cannot be mocked. A man reaps what he sows. 8 Whoever sows to please their flesh, from the flesh will reap destruction; whoever sows to please the Spirit, from the Spirit will reap eternal life. 9 Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up.

Galatians 6:7-9

Youth Pastors, Youth Leaders, and Pastors,

A few years ago a popular hashtag was created, #thestruggleisreal, this hashtag seems to carry more relevance today than ever before. It is getting harder and harder to live for God with so many distractions that the world gives us every day. It can be a struggle every day to read your Bible in the midst of a busy schedule, to stand up for what is right when no one else will stand with you, or to reach friends with so many other things reaching out to them.

The good news is that we have an example and we have been given promises and teachings on how to deal with the struggle of everyday life. This year, at our Oklahoma Church of God Youth Camp, we want to take the week, where distractions will be few, and help the students understand that we understand it is a struggle and that they can overcome and succeed. We hope you join us as we learn ways to deal with the struggle and learn to lean on each other through the struggle.

Please feel free to contact any of the board members, listed below, with any questions.

Junior & Senior High Youth Camp
June 8-11, 2018**

As a counselor, I will...

- Submit willingly to a background check.
- Show up for all scheduled events on time and fulfill any tasks assigned to me. I will “hang out” with the young people and not just with other counselors and staff.
- Participate in all activities with all my heart and with a smile on my face. I will support and not interrupt the leader of any event.
- Get to know my campers. I will not leave anyone out under any circumstances.
- Remain on-site at all times. I will never leave the designated areas unless given permission by the director.
- Be safe in all that I do. All campers and counselors are required to stay in the rooms when “lights out” is called in the evening until the wake up time the next morning. No one is permitted to wonder after hours.
- Respect and cooperate with the campers, other counselors, the director, workshop leaders, conference speakers, musicians, activity leaders, and other staff.
- Report any problems (fights, behavior, etc) immediately to the director.
- Display a Christ-like attitude at all times. Remember, young people do as they see, not always as they hear.
- Actively participate in and direct young people to clean up during the week and the closing of camp on Friday. No one leaves until inspections are completed.

We appreciate your willingness to serve and we believe we will have a great camp. Please remember that what you do during camp will be seen by the entire state of Oklahoma and may affect how camp is run next year and what we are able to accomplish. Please sign below if you understand and will abide by this covenant.

Counselor / Camp Worker Background Check

****VERY IMPORTANT****

Again this year at Oklahoma State Summer Camp we are requiring every counselor and camp worker to submit to a background check from OSBI. This background check is mandatory for participation in summer camp for anyone over the age of 18 who will be working with students.

Enclosed is a form which can be mailed with church credit card information or business check made out to OSBI to complete the background check. On this form we are asking the Sr. Pastor, Youth Pastor, and the counselor submitting to the background check to sign. This will go in our camp files as record that the background check was completed.

If a counselor comes to camp without an approved background check, the youth council reserves the right to do an instant online background check at the sending churches expense. (This could be up to \$100.00.) The cost will be in addition to any other camp fees due at time of registration.

Keep in mind that this background check not only protects our state ministry, or your youth ministry, but it also protects the local church.

This background check also applies to any and all youth workers that will be at camp with your students during the week of camp. **(If the youth worker already has a background check on file with our state office, the local church that you are serving, or another organization within the last 3 years, we can accept this. Simply fill out and sign the from below.)**

Thank you for helping keep our students safe,
